Students tested:
Date:

This is to verify that the students on the attached class roll* accomplished the following performance objectives at or above the 80% (moderately to highly skilled) level.

1. Develop short and long range leadership and personal development goals.
2. Attend an FFA meeting.
3. Develop short and long range SAE goals.
4. In an approved record book, record all transactions and activities on a SAE.
5. Demonstrate methods of handling horses safely.
6. Demonstrate the selection of superior horses.
7. Identify breeds of poultry.
8. Identify symptoms of poultry disease.
9. Plan and design a waste disposal system.
10. Construct a DNA model.
11. Identify the external anatomy of each species of livestock.
12. Identify parts of the excretory system, nervous system, and reproductive system on each species of livestock.
13. Evaluate and select livestock depending on intended use.
14. Demonstrate the proper care, feeding, and handling of common small animals.

Each performance is documented and kept on file for two years. (check one or more)

- ☐ Individual student performance tracking sheets
- ☐ A class period summary score sheet
- ☐ Recorded and identified in the class grade book

Instructor's Signature: _____

*Attach a copy of the class period roll and draw a single line through any student on the roll not accomplishing ALL required performance objectives at the 80% (moderately to highly skilled) level.
